Invitation Letter

Dec., 6 2011

Dear Dad and Mom,

Time is flying. We have been living in Toronto for more than four years. We miss you so much. Now, we would like to invite you to Canada to stay with us for one year starting from Feb 18, 2012 to Feb 16, 2013.

CIC Canada announced a new visa option **Super Visa on Dec 1st 2011.** **Super Visa for Canada** maximum validity will be 10 years, and will allow the person to remain in Canada for up to 2 years at a time. We think this is the better option for you. You can make one year plan to stay, but if you just want a short visit, you can go back China anytime. So, it is flexible and convenient.

It would be very nice to have you around. We almost have no chance to see each other since we moved to Canada in 2007. I hope your visit will give us a great opportunity to spend some quality time together. During your course of stay, we would visit various tourist attractions in Toronto such as Niagara Falls, Casa Loma, CN Tower as well as other beautiful cities in Canada such as Vancouver, Ottawa and Montreal.

During your stay in Canada, you will live with us in our house which we just bought. You will like it. We will bear all your responsibilities, including, but not limited to, financial responsibilities, ticket fare to travel from China to Canada and back, housing and food, medical insurance, and travel expense within Canada. Of course, you can buy your own gifts for our relatives and your friends when you are back China.

We would have a nice time together after a long time. I can't wait for you to visit us.

Yours ,
